Référence DEA-DT20501-QZ

EAN13 : 5054905283520

Renvoi d'angle flexible 300mm

Accomplish a variety of applications on the jobsite with one system. The Modular Right-Angle System transforms to quickly switch between a Compact Right Angle, Standard Right Angle, Right Angle Flexible Shaft, and Straight Flexible Shaft. It withstands the power of today's impact drivers with the metal gearcase design and can access tight spaces. Long Life Gears - Provide 10x Longer Life
38mm Head Depth - For Ultimate accessibility
Impact Ready - Strength to stand up to the power of today's impact drivers
Rare Earth Magnet - Retains fastener for easy one-handed use
Metal Gearcase with Quick Bit Ejection - For durability and convenience on any jobsite
Patented Handle Design (Flexible Shaft & Modular Handle) - Reduces vibration for added comfort and control
Garantie 3 ans
