Foret Black&Gold HSS-G 2x24x49mm

The DEWALT Black & Gold Metal Drill Bits feature a black and gold coating to prevent rust. The tapered web design provides extreme durability to resist breakage. The bits feature a 3-flats shank to reduce spin-out in the chuck. Black & Gold metal drill bits are made of heavy-duty High Speed Steel for drilling into a variety of materials including plastic, wood, and metal. Each bit features a 135° split point tip design to help reduce walking. 135° Split point tip design to help reduce walkingHigh Speed Steel to be used in plastic, wood, and metalTapered web design for extreme durability and resisting breakageBlack and gold coating to help prevent rust and wear3-Flats shank to reduce spin-out in the chuck Electrical, Plumbing, Mechanical, Woodworking, Automotive, Metalworking, Builder Remodeler Garantie 3 ans Equipements inclus3 X Drill Bit
