

Coffret 7 scies cloche diam: 19, 22, 29, 38, 44, 51, 57mm

Référence DEA-DT90355-QZ

EAN13 : 5054905250997

Coffret 7 scies cloche diam: 19, 22, 29, 38, 44, 51, 57mm

Made in the U.S.A. with global materials, these Bi-Metal Hole Saws last up to 50% longer* and feature patented toothforms that help deliver fast cuts and long-life drilling through wood, metal, and plastic. Their large, continuous slot provides leverage for easy plug ejection and removal. The durable, bi-metal construction provides the versatility to drill a range of materials and a deeper saw design allows for cutting 2-by dimensional lumber in one pass. Up to 2X Longer Life* *vs prior generation DEWALT Bi-Metal Hole Saws Patented tooth forms optimize chip removal for efficient drilling and long life Fast Plug Ejection Large, continuous slot provides leverage for easy plug ejection and removal Versatile Drilling Performance High Speed Steel cutting edge effectively drills through wood, metal and plastic Designed for Thick Materials (upto 44mm) Deep hole saw design allows for cutting 2-by dimensional lumber in one pass Electrical, Plumbing, Mechanical, Builder Remodeler Garantie 3 ans Equipements inclus 1 X Hole Saw
